REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Applicants' argument concerning the Hara reference are persuasive since Hara does not teach or suggest "a judging unit which judges whether or not a reply destination mail address extracted from an E-mail received is an address of a mailing list used for broadcasting the same E-mail to a plurality of destinations at one time by a predetermined single mail address by comparing with addresses registered in a mail address book" as recited in independent claims 1, 2, 7, 8, 13, and 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
